and discuss the names and jobs of construction vehicles.

#### PLAY:

Build a tower together with blocks. See how tall you can build it before it falls over!

**SING:** Construction Song - sung to "The Farmer in The Dell"

The backhoe scoops the dirt.  
The backhoe scoops the dirt.  
Hey-ho! Look at it go!  
The backhoe scoops the dirt. Continue with -

The bulldozer pushes the dirt, the loader dumps the dirt...  
The cement mixer spins...  
The crane moves up and down...

#### WRITE:

Draw a road on paper and have the child trace the road with toy cars and trucks.

**Early Literacy Tip:** Scribbling and doodling are all helping the child learn pre-reading skills! As the child begins to draw pictures, use open questions to discuss the final product, such as: "Can you tell me about your picture?" Encourage the child to tell you the "story" of the picture.
